

Creativity Prompt

PICTURE THIS!

Description

This creative activity provides an opportunity to explore the world around with music.

Time to Complete

10-15 minutes

Materials

A cell phone or digital camera

Instructions

Grab your phone or camera and head outside for a short walk.

If you can't go outside, choose a window and make observations from there.

While on your walk, try to tune out distractions and focus on your environment, look around and recognize your surroundings. When you see something you enjoy or think is beautiful or interesting, snap a photo. Try to take a 5-10 minute walk and capture 2-4 photos.

When you finish your walk, review your photos. Look at each photo and ask yourself:

"If this photo was a genre/type of music, what music would it sound like?" or

"If this photo was a song, which song would it be?"
