## CLOUD DOODLES

### Description

A creative way to get fresh air while using your imagination and exploring unique imagery it allows.

### Time to Complete

5-10 minutes or repeat for as long as you're inspired!

### Materials

Paper and a writing instrument (pen/pencil/marker, etc.)

### Instructions

Grab a writing instrument and a piece of paper and head outside.

Look at the clouds; what do they look like to you? Are they just simple shapes, or do they resemble something else? Perhaps one cloud reminds you of a cat. Are they moving and changing, if so how are they moving and changing? Perhaps the cat you saw earlier in the cloud shifted into a circle.

Write down everything that you see in the clouds in 3 minutes or less. Make a list.

Now, draw 1-3 of those things on your list.

Reflect on the things you've drawn. Do they relate to each other? How might they be connected? Write a sentence or two describing their connection.

Or write a sentence or two describing the favorite thing you've drawn or seen in the clouds. Get creative and use the clouds as inspiration.
