## Yes & Sketch – Family Style

### Description

This activity is a creative way to express yourself and be silly through visual art while engaging with your family and friends.

### Number of participants

2-10

### Time to Complete

5-10 minutes or repeat as long as you're inspired!

### Materials

Piece of paper and a writing/drawing instrument

Timer

### Instructions

Sit around a table or have a hard surface available for everyone to be able to draw on.

Everyone should start with one piece of paper. Put your name at the top of the piece of paper. Grab your writing utensil, start the timer for 30 seconds. Everyone begins to draw or write whatever they would like on the paper in front of them. Continue for the full 30 seconds.

When the timer goes off, everyone should pass their papers to the person on their right. Repeat the process above, start the timer and draw or write whatever you would like for the next 30 seconds. However, this time you will be adding to the person's drawing that has been passed to you.

Repeat the process as many times as you like. When you receive your original paper back, it will be an entirely new work of art!

Take a moment to reflect what is on your paper now compared to when you started.
